

DESTROY MIST

Mango

Triple Concentrated Odor Eliminator

DESTROY MIST is a concentrated formula that eliminates airborne odors and neutralizes the most offensive odor problems. It actually encapsulates the odor molecules and chemically neutralizes them. A single spray of this powerful concentrate neutralizes malodors for up to 24 hours.

Furthermore, it provides a wide range of possible applications due to its effective 3-way action: As a space spray, as a contact spray, and as an evaporative deodorizer.
