

GRIME EATER WYPES - INDUSTRIAL GRADE HAND CLEANER

DESCRIPTION

GRIME EATER WYPES are industrial strength, yet gentle on skin. The fabric is soft yet strong, giving excellent cleaning without being overly abrasive. This material aggressively removes soils yet won't harm skin or surfaces. This versatile wipe may be used for many tough cleaning jobs. Use anywhere soap and water are not readily available. Contains emollients and natural oils to prevent cracking and drying of hands. Leaves no residue.

APPLICATIONS

Removes tar, grease, wax, ink, paint, lubricants and adhesives from skin, tools, work surfaces and more. Areas of use include industrial shops, warehouse operations, machine shops, mechanics, welders, municipal workers, offices, airports, oil rigs, and more.

LABEL INFORMATION

GRIME EATER WYPES are a strong waterless cleaner for use on many different surfaces. Removes tar, grease, wax, ink, paint, lubricants and adhesives. These wipes are extremely versatile and can be used for many different cleaning jobs in every working environment. Use them for cleaning hands, stainless steel tools, wiping up spills, wiping down work surfaces and anywhere tough cleaning jobs present themselves. INDUSTRIAL GRADE HAND CLEANER uses a strong material that cleans aggressively but remains gentle. Contains emollients and natural oils to prevent cracking and drying of hands. Use anywhere. Perfect for use where soap and water are not readily available. Cleans quickly without leaving a residue. The perfect cleaner for almost any use—you will find that INDUSTRIAL GRADE HAND CLEANER is the ideal solution for your demanding cleaning job.

DIRECTIONS FOR DISPENSING:

1. Remove lid by lifting upward.
2. Pull towel from center of the roll and thread through "X" on the underside of the lid.
3. Close lid. Pull towel at a 90° angle.
4. Snap hinged cap back into place to ensure towels stay moist.

DIRECTIONS: Unfold towel and use to scrub hands and surfaces. No need to rinse or dry hands. Discard after use.

CAUTION: For external use only.

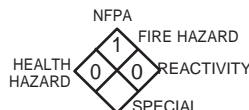

FIRST AID: IF IN EYES, flush with water. If irritation persists, call a physician.

KEEP OUT OF REACH OF CHILDREN

DISPOSAL: Offer empty container for recycling. If recycling is not available, discard container in trash.

CONTAINS (CAS#): Water (7732-18-5), Sodium Xylene Sulfonate (1300-72-7), Linear Alcohol Ethoxylate (34398-01-1), Ethoxylated Alkyl Amine (68478-95-5), Ether Amine Oxide (68478-65-9).
